

YES-TEX™ - SHIELD

DMF Free & Anti-Bacteria 2L Collection

With PU membrane featuring residual amount of DMF<150ppm, Anti-bacteria, and the thinnest membrane we've developed various fabrics.

Anti-bacteria function of this membrane prevents fungi development coming from sweat during outdoor activities so that wearer can feel pleasant.

In addition to that, this thinnest membrane is well-suited to light weight fabrics - such as nylon 7D, 15D, 20 - as well as light weight stretch fabrics.

Performance:

- 5µm PU membrane - WP 3K / MVP 5K
- 10µm PU membrane - WP 5K / MVP 10K
- Anti-Bacteria
- Residual Amount of DMF < 150ppm

* Test Method: WP - ISO0811 / MVP - JIS 1099 B1

Application:

Outdoor sports, Active, Lifestyle
